HOW TO GET THERE

FROM NAPLES “CAPODICHINO” AIRPORT/RAILWAYS CENTRAL STATION TO THE CITY CENTER

From/to Napoli airport/station the most convenient way is by taxi. Especially from the airport we suggest to ask the driver for the flat rates, which must be requested at the beginning of the trip (approximately € 25 from the airport and € 18 from the railways station), as also indicated on the web site of the taxi service:

www.consorziotaxinapoli.it/home_eng

Depending on traffic, the taximeter could be actually much more expensive.

Please be careful to take the taxi from the official Taxi Stand

FROM HOTEL EXE MAJESTIC TO CNR (MEETING VENUE: VIA PIETRO CASTELLINO 111)

- I) Go on foot to Chiaia funicular (funicolare di Chiaia) departure from Parco Margherita to Cimarosa final stop.
